

To build a strong movement for change we need lots of people to give little bits of help. There's lots of easy ways you can be part of making history in Lancaster:

### Help us from home

- **Donate to the campaign fund** (see overleaf for details about how to donate) - Election campaigns cost money so by donating to the campaign you can help us to run a more effective campaign.
- **Display our poster in your window or garden** - Displaying a poster means people can see for themselves the strength of our support.
- **Write letters to the local press** - Helping to promote Green ideas by getting letters printed in local papers is an excellent way to sway undecided voters.
- **Talk about us to others and tell them you are voting Green this time!**

### Help us in the office

- **General office assistance** - Throughout the campaign our office will be busy so any help will free others up for other campaigning roles.
- **Addressing and filling envelopes** - There will be a number of runs of personalised mailing we need to send out.

### Help us on the streets

- **Deliver leaflets for us** - This is the principle way we get our message across.
- **Talk to people on their doorsteps** - This not only helps us inform voters about our policies, it helps us get an idea of what people want their representatives to do for them.
- **Help run a stand in Lancaster Market Square** - This helps keep our profile high and gives people an opportunity to find out what we stand for.

### Help at our fundraisers

- **Come to our 'Auction of promises' on 27th February** or let us know if you can come along/help out at other fundraising events
- **Join the fundraising team** and help raise funds for the campaign
